October 21st, 2008

Dassault Systèmes

9 quai Marcel Dassault - 92150 SURESNES - FRANCE

The first meeting of the OPEN-PSA Work Package #1 will take place on October 21st from 10h30 to 16h at Dassault Systèmes. All Work Package participants and Exchange Format Project Group members are asked to participate. After a presentation of the participants around the table, we will discuss:

1. The project specifications, including goals, program and responsibilities;
2. The project milestones and schedule, including a future meeting schedule.

Antoine and Woody will send a first draft of the project specifications by September 30th.

We will have a dinner on the evening of October 21st, as is our usual pleasure. When we have chosen the restaurant, we will send a list of reasonably priced hotels in the immediate area.

We are attaching a list of prospective participants and their current status.

Please make sure to RSVP to Leila Marle from ImdR.

Please indicate your participation in both the meeting and for dinner.
